Trivia Answer: 24-Hour LeMans

### To the Pearman Family She is Jan, at Home They Call her Grandma!

Jan Calhoun is going on 10 years with Ray Pearman in the Bookkeeping department where she manages Accounts Payable, but if you have bumped into her always smiling face and noticed her cheerful nature and attention to details, you should know she gets it honestly as grandmother to 14 grandchildren!

Jen is from the small town of Pearl, Mississippi, located just a little southeast of Jackson. She attended Hinds Community College also in Mississippi and has held positions with Traveler's Insurance, beginning her bookkeeping career at Southern Communications and continuing her accounting experience with Decatur Transit.

Jan came to Pearman in 2016 where she was a natural fit with the Pearman family. When she is not baking cookies or playing games with her brood, she can be found watching old movies, and getting plenty of exercise by walking... although with more than a dozen chillen' running around, we suspect that is what keeps her looking and feeling like a kid herself!
